Examiner:

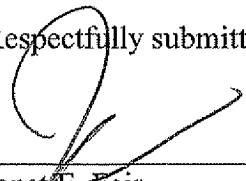

Applicants submitted an Amendment/Response to the Non-final Office Action dated July 31, 2008 ("Office Action") issued in the above-referenced application. The Amendment/Response was timely filed via the United States Patent Office Electronic Filing System ("EFS") on October 9, 2008. Unfortunately, even though the Response was correctly electronically filed for case Application Serial No.10/567,269, the Response contained a typographical error.

The Response incorrectly references Application Serial No. 10/567,267, instead of Application Serial No. 10/567,269. In order to correct the error, Applicants submit this letter and resubmit a corrected Amendment/Response.

Applicants apologize for any confusion and inconvenience.

Respectfully submitted,

By
